

 **DURAVIT**

A high-angle, close-up photograph of a white, circular Duravit wash basin. The basin is set into a dark, solid countertop. To the left of the basin, a wooden vanity unit with drawers is visible, featuring a light-colored wooden top and brass-colored handles. A person's hand, wearing a brown sleeve, is reaching towards the drawers. To the right of the basin, on the countertop, there is a black, ribbed cylindrical cup holding a toothbrush, and a black, oval-shaped soap dish containing a dark bar of soap. The lighting is soft and focused, highlighting the clean lines of the basin and the textures of the surrounding materials.

A photograph of a white, semi-recessed ceramic sink installed in a grey granite countertop. The sink has a modern, single-lever chrome faucet. To the right of the sink, on the countertop, is a small red tray holding a glass, a tube of toothpaste, and a toothbrush. A large mirror is mounted on the wall above the sink, reflecting the faucet and part of the room. The background wall is covered in large, light-colored rectangular tiles. The floor is also tiled with similar large tiles. A dark blue trash can is partially visible on the right side of the frame.
